Nancy,

Will you be working with the Region on all the incomings?

Let me know if you need any help...I am filling in for Tricia today and Pebble Mine technically falls on her portfolio.

FYI – The reporter now has the release—however can we check and see if she is on our cision list? Please let me know either way as will work with region on responding to her as they have the relationship – and if no, please add her.

Why do other media outlets have the announcement and I don't? What do I have to do to get the statement? It's apparently out but not on the EPA website. Not right.

Hi - I'm planning to cover the announcement, I gather tomorrow, about the EPA and the Pebble Mine. Can you tell me who the point person for EPA will be? Or which office? Do you plan a press conference or call-in?

Thanks in advance,
